 - Discussion about inviting St. Stan's council to join us for this event. Discussion will continue and will depend on whether they would like to participate.
 - Also discussed (Bruce et al) about adding 1 hour to the day (at the start) to even out the shifts. Much easier to do 2 hours in the cold weather than 3 (punishment by Al for everyone wanting the earlier shift.
 - The extra shift would provide 2 time slots for those who prefer the early shift.

When: August 1-3, 2025

Where: Sacred Heart Apostolic School, 5901 N 500E, Rolling Prairie, IN

What: Join other families for inspiring speakers, prayer experiences, engaging workshops, catered meals, family-friendly entertainment, and quality time together.

- **August 1:** Registration, Mass, welcome dinner, and social time.
- **August 2:** A full day for the whole family—featuring dynamic speakers, including Dr. Peter Kilpatrick, President of The Catholic University of America, and Jason Angelette, Director of Faith and Marriage for Wildwood Community in Louisiana.
The day will also include workshops, inspiring prayer experiences, catered meals, breakout sessions for all ages, family-friendly entertainment, and social time—strengthening us to build Christ's Kingdom on earth.
- **August 3:** Closing session and Mass.

We have a special request for the Knights of our diocese. We would love to welcome these families on Friday August 1st with a meal sponsored by the Knights of Columbus. Since many of our participants will have experienced the Knights' hospitality in their own parishes, we believe they will feel at home and enjoy seeing the Knights upon arrival.

The meal would be served from 5:00–7:00 PM Central, and we expect approximately 500 attendees on that first night. There is a lot of flexibility with the menu, but we thought the aroma of a BBQ would be a great way to kick off the weekend. We will have plenty of outdoor seating available in a large rented tent, with chairs already set up for your convenience.

Having the Knights—who are experts at events like this—serve this meal would be a tremendous gift. Hosting this weekend event will be an opportunity for many families to see our pre-seminary high school and witness the joy of our students, who are open to the priesthood and preparing themselves for whatever mission God has in store for them. Thank you for all your dedication to families and vocations.

God bless you,

Fr. Ronald Conklin LC, Rector
